

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION AT DAYTON

UNITED STATES OF AMERICA,

Plaintiff,

-vs-

Case No. 3:18-cr-122

MACON JONES,

Defendant.

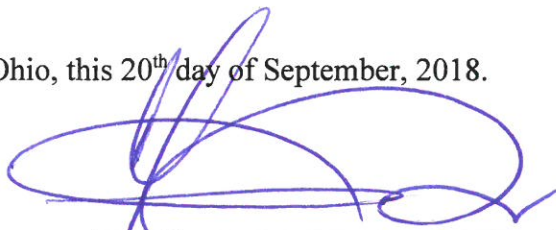

ORDER FOR MENTAL HEALTH EVALUATION

The above captioned case is before the Court for consideration of whether the Defendant is competent to assist in his own defense. Defendant's Counsel, Arthur Mullins, has moved to have the Defendant evaluated for competency and sanity (doc.12).

Accordingly, the Court finds there is good cause to believe Defendant is not competent, and therefore finds, pursuant to 18 U.S.C. § 4241(a), that there is reasonable cause to believe that the Defendant is presently suffering from a mental disease or defect rendering him incompetent to the extent that he is unable to understand the nature and consequences of the proceedings or to properly assist in his defense. The Court further finds that the Defendant has filed notice (doc. 12), in accordance with Rule 12.2 of the Federal Rules of Criminal Procedure, that the Defendant intends to assert the defense of insanity, pursuant to 18 U.S.C. § 4242(a).

Therefore, pursuant to 18 U.S.C. § 4247(b), the Court **ORDERS** that the Defendant be committed to the custody of the Attorney General of the United States for a period not to exceed thirty days for placement in a suitable facility to undergo an evaluation for determination of mental competency to stand trial pursuant to 18 U.S.C. §4241(a), and an evaluation to determine the existence of insanity at the time of the offense pursuant to 18 U.S.C. §4242(a). The mental health professional designated to conduct the examination shall file a prompt report with this Court pursuant to 18 U.S.C. §4247 (b) and (c).

DONE and ORDERED in Dayton, Ohio, this 20th day of September, 2018.
